

A TEAM Class List

(Class prices for Spring 2020 session January - May)

4-High	Hip Hop/Street Dance Level 2	\$300
---------------	-------------------------------------	--------------

Monday	9:20am-10:30am
---------------	-----------------------

Taught by: **Alejandro Flores**

Come learn the fundamentals of hip-hop/street-dance: popping, locking and breaking. We will be learning the moves/vocabulary along with the dance history and culture. Class is filled with fun exercises and activities to help build self confidence skills and create community within the classroom! By the end of the course we will be showcasing a routine. Children ages 9+ or those with a bit of dance experience will fit right into our level 2 class. Please bring loose fitted clothes (sweats, shorts, t-shirt, and tennis shoes) and some water. Feel free to email Alex at princealifreez@gmail.com if you have any questions!

4-High	ATOM Science: Grades 4-12	\$750
---------------	----------------------------------	--------------

Monday	9:20am-11:50am
---------------	-----------------------

Taught by: **Leslie Herleikson**

A.T.O.M. Science Club is an exciting adventure club where members discover the incredible connections among atoms, molecules, living organisms, and our universe. Through hands-on experiments, group discussions and activities, visual aids, and field trips we study chemistry (atoms), physics (energy and matter and how they interact), biology (life study), and astronomy (the universe). By developing this scientific foundation early in life, members build a solid understanding of science and a love of learning that will stay with them for a lifetime.

To learn more about A.T.O.M. Science Club, and it's 20 years of adventures, visit the website www.atomscienceclub.com.

2-High	Chess	\$230
---------------	--------------	--------------

Monday	10:40am-11:50am
---------------	------------------------

Taught by: **Micah Rosenheim**

Chess fundamentals

(Class prices for Spring 2020 session January - May)

K-High	Lunch Supervision	\$70
---------------	--------------------------	-------------

Monday	11:50am-12:30pm
---------------	------------------------

Taught by: **A TEAM**

A time for students to get together to eat and play. Lunch is NOT provided by A TEAM.

Middle-High	Drawing, Sketching and Pastels	\$370
--------------------	---------------------------------------	--------------

Monday	12:30pm-1:30pm
---------------	-----------------------

Taught by: **Mr. Green**

Drawing is intense observation, without the ability to study an object, students will not be able to accurately draw the object. In the class students will receive instruction, demonstrations and opportunities to work with different types of paper surfaces and medium. Starting with basic concepts including negative space, line, form, and color theory, they will move on to practice techniques such as shading, texture, and perspective to add dimension and depth to their work.

Middle-High	A-G Geometry	\$500
--------------------	---------------------	--------------

Monday	12:30pm-1:30pm
---------------	-----------------------

Taught by: **Jing Swales**

This class will follow the a-g Geometry syllabus and meet or exceed it's requirement.

Topics include:

- 1 Foundations For Geometry
- 2 Geometric Reasoning
- 3 Parallel And Perpendicular Lines
- 4 Triangle Congruence
- 5 Properties And Attributes Of Triangles
- 6 Polygons And Quadrilaterals

- 7 Similarity
- 8 Right Triangles And Trigonometry
- 9 Extending Transformational Geometry
- 10 Extending Perimeter, Circumference, And Area
- 11 Spatial Reasoning
- 12 Circles

K-High	Piano Keyboard and Music Skills	\$390
---------------	----------------------------------------	--------------

Monday	1:40pm-2:40pm
---------------	----------------------

Taught by: **Ann Wolfe**

Want to learn how to play the piano, read and understand music, get rhythm, match pitch? Join this fun, active, encouraging class. We'll mix it up during the hour to reinforce skills. Using RKM, Reading Keyboard Music method books. All ages welcome, including adults. Jordan Wolfe, Assistant Teacher (Questions? Email annleewolfe@gmail.com)

K-High	Games!	\$295
---------------	---------------	--------------

Monday	2:50pm-3:50pm
---------------	----------------------

Taught by: **Ann Wolfe**

We will play and learn a variety of games--card games, board games, and more! Kids get to learn how to play by the rules, improve their strategy, recognize how much chance and skill are involved in each game, learn what it means to be a good sport, and have FUN! In this multi-age class, we can have several games running at the same time for different levels.

4-High	Private Guitar Lessons	\$700
---------------	-------------------------------	--------------

Monday	TBD
---------------	------------

Taught by: **Jordan Wolfe**

One on one guitar lessons for students at any level. Private lessons give you the attention you need to learn at your own pace with music you enjoy.

Half hour lessons. Contact for available times. Lessons available Thursdays at the San Jose campus as well as other times.

Ages 8 and up.

Students are required to have a guitar, music stand, tuner, metronome, capo, and picks. Additional materials and literature may be required.

Middle-High	Middle School Life Science	\$450
--------------------	-----------------------------------	--------------

Wednesday	9:20am-10:30am
------------------	-----------------------

Taught by: **Pam Stewart**

This class will meet the California science standards for 7th grade Life Science. It is intended to be the 2nd of a two semester sequence.

High	High School Chemistry	\$700
-------------	------------------------------	--------------

Wednesday	9:20am-11:50am
------------------	-----------------------

Taught by: **Linda Tracy**

This is the first semester of a one year, high school chemistry class with labs. This course will provide a basic understanding of the major concepts in chemistry including Matter and Change, Atoms and the Periodic Table, Chemical Formulas and Compounds, States and Theories of Matter, Mixtures, Compounds and Solutions, Reactions, Nuclear Chemistry, and Organic Chemistry. This course has a-g and honors approval from Ocean Grove.

K-High	Lunch Supervision	\$70
---------------	--------------------------	-------------

Wednesday	11:50am-12:30pm
------------------	------------------------

Taught by: **A TEAM**

A time for students to get together to eat and play. Lunch is NOT provided by A TEAM.

Middle-High	Fiction Workshop	\$350
--------------------	-------------------------	--------------

Wednesday	12:30pm-1:30pm
------------------	-----------------------

Taught by: **Margaret Hawkins**

In this class each student will present a piece of short fiction a handful of times based off of a calendar we will create on the first day of class. The entire class will workshop that piece giving constructive criticism, advice, and praise. Each student will have to pick one of their pieces the class workshoped to edit, update, and present to everyone as their final project. We will have supplementary readings throughout the course.

Middle-High	Making and Mechanics	\$390
--------------------	-----------------------------	--------------

Wednesday	1:40pm-2:40pm
------------------	----------------------

Taught by: **Jordan Wolfe**

This class will give students hands-on experience with design and engineering, diagnostics and fixing, and creation and building.

Class projects may include designing and building model airplanes, basic auto work, bicycle maintenance, **3D printing projects**, and much more.

The goal of this class is to get students to think like engineers and build the confidence needed to take on their own mechanical problems or projects.

A materials fee of \$30 per student is required.

Middle-High	World Stories, Legends, & Myths	\$315
--------------------	--------------------------------------------	--------------

Wednesday	1:40pm-2:40pm
------------------	----------------------

Taught by: **Margaret Hawkins**
