K-1	Math Games	\$200
------------	-------------------	--------------

Friday	10:00am-11:00am
---------------	------------------------

Taught by: **Ayeshah Khalid**

Fun hands-on activities enforcing mathematical principles learned at home. Students will be engaging in math games that promote individual thinking, being a team player, and self-esteem all while learning in a positive environment.

2-3	Early Literature: Adventures with	\$220
------------	--	--------------

Friday	10:00am-11:00am
---------------	------------------------

Taught by: **Theresa Webb**

A love of reading happens through positive memorable experiences. During this hour long class activities are hands on and engaging. We use different activities that create a sensory experience around the books and stories told in the class. Children also have opportunities to tell their own stories and create books of their own. Classes may consist of a combination of different games, art, geography, tasting experiences and crafts.

2-5/6	Science	\$295
--------------	----------------	--------------

Friday	10:00am-11:00am
---------------	------------------------

Taught by: **Scott Gentile**

Fun, hands-on science lessons abound in this general science class! There will be plenty of Physics, Biology, and Ecology lessons, as well as a sprinkling of Chemistry and/or Geology lessons. Some classes will be partly or mostly outside. A brief scientific discussion and instructions will precede each lesson. "Classic" lessons may include owl pellets, fossils, insect study, buzz-offs, and active Ecology games. There will also be some "new" lessons to accommodate returning students. Come out and join us for some scientific fun!

2-5/6	Living History-Island Cultures	\$295
--------------	---------------------------------------	--------------

Friday	11:05am-12:05pm
---------------	------------------------

Taught by: **Scott Gentile**

We will look at several different island cultures, possibly to include Japan, New Zealand, Tonga, Jamaica, Cuba, and Hawaii! As always with Living History, the lessons will be very hands-on, and will include plenty of building and role-playing opportunities, sometimes within the same lesson; also, there will be other types of lessons, including the occasional craft if the weather pushes us indoors. Lessons will normally be held outside, and may include Samurai life, Maori hakas, Polynesian ship navigation, "haunted" islands, and Tongan arts. A perfect class for both LH veterans and novices, and for history buffs and history-phobes alike!
